There is overnight vehicle parking at the flying field. The official Headquarters hotel and judging will be at the **Comfort Suites, 15575 West Roosevelt St, Goodyear AZ 85338. (520)257-3134**. We have a special room rate of **\$129** which is a great deal off the usual \$197.00 at this time of the tourist year. Ask for the **Flying Aces** room rate. The contest officially starts on Thursday from 12noon—6pm with judging and late registration at the hotel. Flying events and late registration start Friday at 8am as listed on the schedule. Contest ends 3:30 pm on Sunday and awards made on the field at its conclusion. There is no formal banquet but we will meet as a group for a pay-as-you-go dinner at a restaurant close to the hotel after the field awards. Go to the WESTFAC website, **westernfac.com**, for a complete schedule and details regarding judging and flying.

The Pilots Pre-Launch Checklist (PPLC) will be on the honor system for each scale Mass Launch and TOTF aircraft. A copy of it is found on the WESTFAC website. Dime Scale and Simplified Scale bonus points will be done at the hotel judging. Pilots should anticipate if any problems should arise regarding their aircraft and should have adequate 3-views and documentation available if a question should come up.
